

2nd International Student Competition

Where students apply IE
in the Process Industries

**CALL FOR PAPER
REGISTER NOW !!!!**

KEY DATES:

December 15, 2011
Final Registration

January 15, 2012
Final Paper
Submission

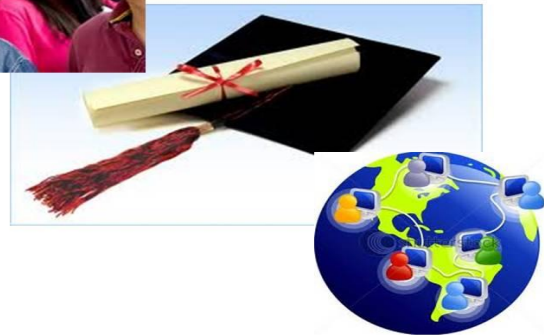

February 17, 2012
Online Competition

May 19-23, 2012
IIE Annual Conference
Orlando, FL, USA

Paper Registration To:

IIE-PID International
Student Competition Chair

Luis Armendariz, P.E. MBA
LuisArmen100@gmail.com

The Institute of Industrial Engineers, through the Process Industry Division-PID will coordinate the 2nd international Student Paper Competition giving students from different countries the opportunity to **submit papers** related about the use of:

- Industrial Engineering
- Productivity
- Quality
- Lean-Six-Sigma tools

There is a **\$1500 cash** award for the first place winner thanks to the sponsorship of DuPont and Hershey's to cover for travel expenses at the **IIE Annual Conference & Expo in Orlando Florida on May 19-23, 2012**, complementary conference registration and one ticket to the Honors & Awards. We hope to reach out to students around the world who excel academically in this field.

Full paper is 6 to 10 pages related to Process Industries (food, beverages, chemicals, pharmaceuticals, petroleum, ceramics, base metals, coal, plastics, rubber, textiles, wood and wood products, paper and paper products, etc.), please go to the following site for more info:
