Determine Your Professional Goals, Develop a Plan and Get Involved in any of our Activities

VOLUNTEER CONSULTING GROUP

Volunteer your time and Learn by doing, join consulting teams by applying IE, Lean and Six Sigma tools to solve real issues from different organizations.

FACTORY/FACILITY TOURS

Attend our meetings and get to know new processes, technologies and ways where IE can be applied.

NETWORKING

Meet IE professionals from Industry, Academia and Consulting in any of our meetings.

KNOWLEDGE SHARING

Our members or guest speakers share their knowledge through Webinars or Presentations in our chapter meetings.

STUDENT SUPPORT & MENTORSHIP

Sometimes our members sponsor projects and our chapter provides support to students in their activities, competitions or conferences.

SOCIAL NETWORKS

Sometimes a busy schedule does not allow you to be out of work and attend our meetings, but you can participate in our open forum in LinkedIn or Blogs in our website with current issues that affect your career

CERTIFICATIONS

Our members get help on how to achieve professionals certifications as IE or assist in Lean and Six Sigma certifications.

JOB BANK

Get our job referrals, sometimes jobs are referred within our network before hitting job postings.

VOLUNTEER & DEVELOPMENT

Many members get involved in our chapter as project or functional leaders or as member of the board of directors
